From: Treasurer's Office

Concerning the desired arrangements we discussed about THE PILGRIM contract, it will be in order to make payments thereunder to a nominee or trustee named by the author in a foreign country provided:

a. We have satisfactory and sufficient instructions for the author to do so;

b. If the nominee or trustee is of foreign nationality he will fill out and sign the enclosed Exemption Certificate so that we do not have to withhold any tax. I am furnishing you Exemption Certificate for Switzerland herewith, which should be completed, signed and returned to us, but Certificates for other tax exemption countries are available as well.
